

ROSEMONT
SCHOOL

Call to budding scientists to participate in the Rosemont School Science Scholarship!

Rosemont School is renowned for its students' excellent performance in science and maths based subjects. Over the last forty years we have consistently rated as a high performing school. Both UCD and Trinity colleges have frequently recognised our students' academic achievements with scholarship awards.

To celebrate our 40th anniversary and in recognition of our students' success we are offering one lucky pupil the opportunity to win a full scholarship to Rosemont for their entire secondary education.

All 6th class girls are welcome to the event which will take place on the morning of February 21st. It is guaranteed to be a fun day for all participants.

Format of the day.

09.00 – 09.40 Visiting scientist will introduce the experiment and set the challenge

09.50 – 11.30 The girls are broken into groups of 2-3 to complete the experiment

11.30 – 12.30 The groups demonstrate their experiments

12.30 – 13.00 Each participant writes a short individual essay on their experiment.

The child that shows the best grasp of the scientific concepts and works well within a team will be offered the scholarship.

If your daughter is in 6th class and would like to come along to this exciting day, and maybe win the scholarship please register at <http://www.rosemont.ie>
