Student Bursary Programme FAQ

Q: If awarded the Student Bursary will my daughter have it for the full 6 years?

A: The bursary is reviewed annually, with updated financial information being submitted to the independent committee. The bursary may be discontinued or adjusted should the financial circumstances of the family change, following communication with the family. Bursaries will be renewed each year provided that the Principal is satisfied with the student's progress and conduct in line with the Code of Behaviour.

Q: Are there additional expectations on the students as recipients of the Student Bursary?

A: The Principal must be satisfied with the student's progress and conduct in line with the Code of Behaviour, as is expected of all students. Holders of the Student Bursary Programme are expected to assess their own contributions and to set targets for themselves in line with the school coaching program.

Q: Who is the Student Bursary Programme open to?

A: The Student Bursary Programme is open to girls coming into first year in September 2022 only.

Q: Are there additional expectations on the parents of recipients of the Student Bursary?

A: The parents of students being sponsored are expected to make a commitment to participate fully in the school community.

Q: Who assesses the applications?

A: A committee, the Student Bursary Committee set up by Trustees, independent of the School, will assess the applications. No member of school staff is involved in the financial information submitted by families. The Principal and Deputy Principal hold and interview with the applicant and her parents, following short-listing by the Student Bursary Committee, to ascertain their understanding of and commitment to engage with the Bursary policy.

Q: If documents are missing will my application still be considered?

A: All required documents must be submitted for an application to be considered.
